Happy Valentines Day

It's that time of year again to remind those we care about how much we love them. Is love about big hearts filled with chocolates? Is love a sweet red card covered with hearts and lace? Maybe love is about a dozen long stem red roses, or a fine bottle of wine. What is love? I always remember where I learned what love truly is.

It is in the Bible 1 Corinthians 13:4-8

Love is patient, love is kind.
It does not envy, it does not boast ,
it is not proud. It is not rude,
it is not self-seeking,
it is not easily angered,
it keeps no record of wrongs.
Love does not delight in evil
but celebrates with the truth.
It always protects, always trust,
always hopes, always preservers.
Love never fails.

Valentines day party Friday February 13
Please remember to send cards for your children to share with
their friends. cookies or yogurt always welcome to help us party.
